

REMARKS/ARGUMENTS

After entry of this amendment, claims 1-17 are pending in the subject application. Claim 17 has been amended to overcome the Examiner's objection to certain formal matters. Reconsideration of the application as amended is respectfully requested.

The Examiner noted in the previous Office Action that the subject application is in condition for allowance except for the following formal matters:

In the last line of claim 17, the two occurrences of "skillet" should be changed to --pallet-- in order to be consistent with claims 15 and 16.

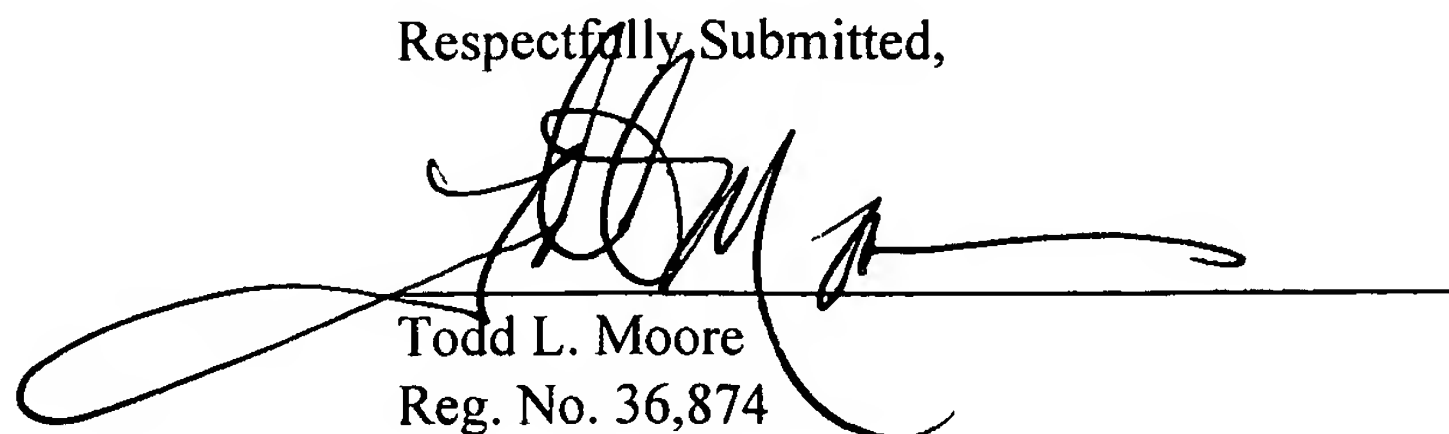

In response to the Examiner's objection of the formal matters, Applicant has amended claim 17 by replacing the two occurrences of the word "skillet" with the word --pallet--. In light of the amendment to claim 17, Applicant respectfully requests that the Examiner reconsider and withdraw the objection of the formal matters.

Examiner noted the prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

For the foregoing reasons and in light of the claims as amended, Applicant respectfully requests that the objections based on formal matters be withdrawn, and the claims be allowed to proceed to issue.

The Examiner is invited to contact the Applicant's undersigned Attorney at (734) 662-0270 or by electronic mail at [tlmyb@aol.com](mailto:tlmyb@aol.com).

Respectfully Submitted,
